

# Lower Your Operating Costs and Increase Your Bottom Line

PMA members pay no upfront, hourly, or retainer fees for APPI's consulting services:

## **ENERGY BUYERS PROGRAM**

*(Available in competitive deregulated states)*

- Analyzes electricity and natural gas accounts.
- Obtains the best rate available from secured suppliers.
- Reviews contract terms and conditions.
- Manages all paperwork and transitions.
- Monitors the market for new opportunities.

***BENEFIT: Budget certainty for a defined period***

## **UTILITY AUDIT SERVICE**

*(Available in all states)*

- Identifies and corrects billing errors, incorrect fees, and overpayments on:
  - energy (electricity and natural gas)
  - telecommunications (voice and data)
  - waste removal/recycling
  - water/sewer
- Analyzes rate structures and tariffs for savings opportunities.
- Secures refunds of monies due.
- Evaluates service providers and their program options.
- Monitors accounts to assure billing integrity and to validate savings.

***BENEFIT: Ongoing professional review of expenses***

HOPMA1005

"By taking just a few minutes to fax a recent electric bill to an APPI representative, I was able to secure a price that was 31% lower than what I had been paying through the Utility. APPI spent time educating me about the electricity market and the benefits of deregulation. I am projected to save in excess of \$48,000 over the next 26 months."

*Ron Nichols  
 President
